BOARD OF COMMISSIONERS  
HOUSING AUTHORITY

February 9, 2010

Honorable Board of Commissioners  
Housing Authority of the  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, California 90012

1-H      FEBRUARY 9, 2010

SACHI A. HAMAI  
EXECUTIVE OFFICER

Dear Commissioners:

**APPROVE CONSTRUCTION CONTRACT FOR AMERICANS WITH DISABILITIES  
ACT UPGRADES AT THE NUEVA MARAVILLA HOUSING DEVELOPMENT IN  
UNINCORPORATED EAST LOS ANGELES  
(FIRST DISTRICT) (3 VOTES)**

**SUBJECT**

This letter recommends approval of a Construction Contract (Contract) with T & K Construction Co. for Americans with Disabilities Act upgrades to kitchens and bathrooms for 18 family units and 7 senior units at the Nueva Maravilla housing development, located at 4919 E. Cesar E. Chavez Avenue in unincorporated East Los Angeles. The Contract also provides for installation of key pads and push plate door activator at the senior building entrances, replacement of flooring, painting, lead-based paint and asbestos abatement, and other associated work.

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Award and authorize the Executive Director to execute and if necessary terminate a Contract in the amount of \$234,440 with T & K Construction Co. to complete Americans with Disabilities Act (ADA) upgrades at the Nueva Maravilla housing development, using \$234,440 in American Recovery and Reinvestment Act Capital Fund Program (ARRA CFP) funds allocated by the U.S. Department of Housing and Urban Development (HUD) for this purpose.

2. Authorize the Executive Director to approve Contract change orders not exceeding \$46,888 for unforeseen project costs, using the same source of funds.
3. Authorize the Executive Director to incorporate \$281,328 in ARRA CFP funds into the Housing Authority's approved Fiscal Year 2009-10 budget for the purposes described above.
4. Find that the approval of the Contract for is exempt from the provisions of the California Environmental Quality Act (CEQA) because the work includes activities that will not have the potential for causing a significant effect on the environment.

#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of this action is to award a Contract to provide ADA upgrades to 18 family and 7 senior units at the Nueva Maravilla housing development. Additionally, push buttons will be installed and the doors will open automatically. Currently at the senior buildings, residents open the doors manually.

#### **FISCAL IMPACT/FINANCING**

There is no impact on the County general fund. The improvements will be funded with \$234,440 in ARRA CFP funds allocated by HUD, to be incorporated into the Housing Authority's approved Fiscal Year 2009-10 budget.

A 20% contingency, in the amount of \$46,888, is also being set aside for unforeseen costs, using the same source of funds. This contingency is recommended due to the nature of rehabilitation improvement work, which often involves unforeseen conditions that extend further than initially identified in the scope of work.

#### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

On February 17, 2009, President Obama signed into law the economic stimulus package American Recovery and Reinvestment Act (ARRA) of 2009. ARRA authorizes approximately \$4 billion in new Capital Fund Program (CFP) funds of which \$3 billion is distributed utilizing HUD's 2008 CFP formula and \$1 billion is awarded through a competitive grant application.

On March 18, 2009, HUD allocated to the Housing Authority \$7,401,512 in CFP formula funds authorized under ARRA. On September 29, 2009, HUD awarded the Housing Authority \$5,924,000 in competitive funds for the Creation of Energy Efficient Green Communities at the Nueva Maravilla housing development. The proposed Contract will be funded using ARRA CFP formula funds.

The improvements are being federally funded, and are not subject to the requirements of the Greater Avenues for Independence (GAIN) Program or the General Relief Opportunity for Work (GROW) Program implemented by the County of Los Angeles. Instead, T & K Construction Co. will commit to hire Section 3 qualified residents at least 30-percent aggregate new hire positions; and/or subcontractor 25-percent or more of the contract amount to Section 3 qualified business concerns. Housing and Community Development Act of 1968, as amended, requires that employment and other economic opportunities generated by certain HUD assistance be directed to low- and very low-income persons, particularly to persons who are recipients of HUD housing assistance.

It is anticipated that the entire project will be completed within 150 calendar days following the required commencement date. The Contract has been approved as to form by County Counsel and executed by T & K Construction Co. On January 27, 2010, the Housing Commission recommended approval of the Contract award.

### **CONTRACTING PROCESS**

On November 18, 2009, the Housing Authority initiated an outreach to identify a contractor to complete the work at the subject property. Invitations for Bids were mailed to all 621 Class B licensed contractors identified from the Housing Authority's vendor list. Advertisements also appeared in eight local newspapers and on the County website. Twenty-nine bid packages were requested and distributed.

On December 21, 2009, nine bids were received and formally opened. The lowest bid, submitted by T & K Construction Co., is being recommended for the Contract award.

The Summary of Outreach Activities is provided as Attachment A.

### **ENVIRONMENTAL DOCUMENTATION**

Pursuant to Title 24 of the Code of Federal Regulations, Section 58.35 (a)(3)(ii), this action is excluded from the National Environmental Policy Act because it involves activities that will not alter existing environmental conditions. It is exempt from the provisions of CEQA, pursuant to State CEQA Guidelines 15301, because it involves negligible or no expansion of use beyond what currently exists and does not have the potential for causing a significant effect on the environment.

**IMPACT ON CURRENT PROJECT**

The award of the Contract will provide residents with ADA upgrades and improvements at the Nueva Maravilla housing development and continue to provide the residents with decent, safe and sanitary living conditions.

- 2.3 Data provided in the Specifications and Drawings are believed to actually depict the conditions to be encountered by the Contractor, but Owner does not guarantee such data as being all-inclusive or complete in any respect. Nothing contained herein shall relieve Contractor from making any and all investigations through non-destructive observations of the Properties which are reasonably necessary to apprise him/herself of the condition of the Properties. Contractor hereby accepts the project in an "as is" condition and herein warrants that all such investigations have been performed by him/her, and hereby expressly waives any and all rights under this Construction Contract, or in law, to additional compensation and/or time adjustments for alleged unknown subsurface and/or latent conditions that could be reasonably discovered or inferred based upon standard industry construction practices and techniques.

ARTICLE 3

- 4.2 The Contract Sum is not subject to escalation, the Contractor having satisfied him/herself with said Contract Price, which includes all labor and material increases anticipated throughout the duration of this Construction Contract.
- 4.3 The Owner's obligation is payable only and solely from funds appropriated from the Department of Housing and Urban Development (HUD) and for the purpose of this Contract. All funds are appropriated every fiscal year beginning July 1.

The Owner will endeavor to notify the Contractor in writing within ten (10) days of receipt of the non-appropriation notice.

#### ARTICLE 5 PROGRESS PAYMENTS

- 5.1 Based upon applications for payment submitted by the Contractor to the Owner, and after approval by the Construction Management Division, the Owner shall make progress payments on account of the Contract Sum to the Contractor, as provided in the Instruction to Bidders of the Construction Contract.
- 5.2 Approved applications for progress payments will be paid by the thirtieth day of each month, provided that application for payment has been submitted to the Owner on or before the first working day of the month. Payment shall be subject to all provisions of Section 01003, paragraphs 3.03.A. and B. of the Instructions to Bidders incorporated by reference into the Contract.

#### ARTICLE 6 PROJECT CLOSEOUT

- 6.1 Prior to occupancy of any dwelling unit, building, or other portion of the project, the Owner shall receive a certificate from the Contractor that such portion of the project is ready for occupancy, and shall cause a Notice of Completion to be issued. A Notice of Completion shall be issued only when the Work, including all phases thereof, is finally completed, and all requirements of this Construction Contract have been satisfied. The Owner shall cause the Notice of Completion to be recorded with the County Recorder.

- 6.2 Upon Issuance of a Notice of Completion, final payment shall be made to the Contractor of the entire unpaid balance of the Contract Sum, including any sums due to the Contractor for changes in the Work approved by the Owner pursuant to Section 01003 paragraph 3.03.E. of the Instruction to Bidders, less any amounts which Owner is entitled to receive from the Contractor under the terms of this Contract or amounts necessary to cover stop notices or alleged labor underpayments, and less the ten percent (10%) retention withheld, pursuant to Section 01003 paragraph 3.03.F. of the Instruction to Bidders.
- 6.3 In addition to all other requirements, a Notice of Completion shall be issued only when Owner has received the following:
- A. A Certificate of Completion, executed by Owner.
  - B. All guarantees and warranties issued by the manufacturers or installers of equipment or other component parts of the project. Contractor guarantees that the equipment, materials, and workmanship, not otherwise covered by a guarantee or warranty, will be free from defects in materials and workmanship for a period of one (1) year following date of final acceptance of the project.
  - C. The waiver and release of all liens, claims of liens, or stop notice rights of the Contractor and all subcontractors, and the Contractor's Certificate and Release.
  - D. Verification from the Architect that Contractor has removed all waste materials, rubbish, tools, construction equipment, machinery, and surplus materials from the project site. If the Contractor has failed to remove any of such items, the Owner may remove such items, and the Contractor shall pay the Owner for all costs incurred in connection with such removal.
- 6.4 After recordation of the Notice of Completion, and expiration of the thirty-day period for filing of stop notices, the Owner shall use reasonable efforts to settle all claims and disputes, notify the Contractor of final acceptance of the project, and make final payment of the entire unpaid balance of the Contract Sum, including the ten percent (10%) retention, less any amounts which the Owner is entitled to receive from the Contractor under the terms of this Construction Contract, including liquidated damages, and less amounts necessary to cover stop notices or alleged labor underpayments.

## ARTICLE 7

### BREACH AND TERMINATION

- 7.1 Waiver by the Owner of any breach of this Construction Contract shall not constitute a waiver of any other breach or of any future breach. No payment made hereunder shall be construed to be an acceptance of defective Work or improper materials.
- 7.2 In addition to any right of termination reserved to the Owner by Section 01003 paragraph 3.10.A. of the Instruction to Bidders of the Construction Contract, the Owner may terminate this Construction Contract or performance under this Construction Contract, if the Contractor is adjudged bankrupt, a receiver is appointed because of the Contractor's insolvency, or the Contractor makes a general assignment for the benefit of its creditors, fails to make prompt payment to subcontractor(s), or for material or labor, persistently disregards laws, ordinances, rules, regulations or orders of any public authority having jurisdiction, fails to construct the

project in accordance with the Drawings and Specifications, or otherwise substantially violates any provision of the Contract Documents.

- 7.3 The Owner shall give the Contractor and his/her surety written notice prior to terminating this Construction Contract or performance under this Construction Contract, pursuant to Section 01003 paragraph 3.10.A. of the Instruction to Bidders, provided that the Contractor shall, upon receipt of such notice, immediately stop the installation of improvements, or other permanent construction work encompassing part of the project. Upon termination, the Owner may take possession of the project and all materials, equipment, tools, and construction equipment and machinery owned by the Contractor and located at the project site, and may finish the project by whatever method it may deem expedient. In such case, the Contractor shall not be entitled to receive any further payment under this Construction Contract.
- 7.4 The Owner shall not be deemed to have waived any of its other rights or remedies against the Contractor by exercising its right of termination under this Article.
- 7.5 Termination for Cause: This Contract may be terminated by the Housing Authority upon written notice to the Contractor for cause (failure to perform satisfactorily any of the Contract terms, conditions, and Work items) with no penalties upon termination or upon the occurrence of any of the following events:
- A. Continuing failure of the Contractor to perform any Work required to be performed hereunder in a timely and professional manner, or Contractor is not properly carrying out the provisions of the Contract in their true intent and meaning, then in such case, notice thereof in writing will be served upon the Contractor; and should the Contractor neglect or refuse to provide a means for a satisfactory compliance with this Contract and with the direction of the Housing Authority within the time specified in such notices, the Housing Authority shall have the power to suspend the performance of this Contract by Contractor in whole or in part.
  - B. Failure on the part of the Contractor to procure or maintain insurance required by this Contract shall constitute a material breach of contract upon which the Housing Authority may immediately terminate this Contract.
  - C. Should the Contractor fail within five (5) days to perform in a satisfactory manner, in accordance with the provisions of this Contract, or if the Work to be done under said Contract is abandoned for more than three (3) days by the Contractor, then notice of deficiency thereof in writing will be served upon the Contractor. Should the Contractor fail to comply with the terms of said Contract within five (5) days, upon receipt of said written notice of deficiency, the Executive Director of the Housing Authority shall have the power to suspend or terminate the operations of the Contractor in whole or in part.
  - D. In the event that a petition of bankruptcy shall be filed by or against the Contractor.
  - E. If, through any cause, the Contractor shall fail to fulfill, in a timely and proper manner, the obligations under this Contract, or if the Contractor shall violate any of the covenants, agreements, or stipulations of this Contract, the Housing Authority shall thereupon have the right to terminate this Contract by giving written notice to the Contractor of such termination and specifying the effective date thereof, at least five (5) days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs and reports prepared by the

Contractor under this Contract shall, at the option of the Housing Authority become its property and the Contractor shall be entitled to receive just and equitable compensation for any work satisfactorily completed.

- 7.6 Termination for Improper Consideration: The Housing Authority may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Construction Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any Housing Authority officer, employee or agent with the intent of securing the Contract or securing favorable treatment with respect to the award, amendment or extension of the Contract or the making of any determinations with respect to the Contractor's performance pursuant to the Contract. In the event of such termination, the Housing Authority shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

The Contractor shall immediately report any attempt by the Housing Authority officer or employee to solicit such improper consideration. The Report shall be made to the Housing Authority's Executive Director or designee.

Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

In the event of such termination, Contractor shall be entitled to a prorated portion paid for all satisfactory work unless such termination is made for cause, in which event, compensation, if any, shall be adjusted in such termination.

- 7.8 The Housing Authority's Quality Assurance Plan: The Housing Authority will evaluate Contractor's performance under this Contract on not less than a quarterly basis. Such evaluation will include assessing Contractor's compliance with all Contract terms and performance standards. Contractor deficiencies which the Housing Authority determines are severe or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Commissioners. The report will include improvement/corrective action measures taken by the Housing Authority and the Contractor. If improvement does not occur consistent with the corrective action measures, the Housing Authority may terminate this Contract or pursue other penalties as specified in this Contract.

- 7.9 Non-payment after expiration or termination: Contractor shall have no claim against the Housing Authority for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Agreement. Should Contractor receive any such payment, it shall immediately notify the Housing Authority and shall immediately repay all such funds to the Housing Authority. Payment by the Housing Authority for services rendered after expiration/termination of this Agreement shall not constitute a waiver of the Housing Authority's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.

## ARTICLE 8

ARTICLE 10  
ADDITIONAL PROVISIONS

10.1 This Construction Contract and the obligations of the parties hereunder shall be interpreted, construed and enforced in accordance with the laws of the State of California.

10.2 This Construction Contract contains the entire agreement between the parties. No variations, modifications, or changes hereto shall be binding upon any party hereto unless set forth in a document duly executed by or on behalf of such party. All prior negotiations, representations and/or contracts between the parties relative to the subject matters hereof shall be superseded hereby and have no further force and effect.

10.3 No consent or waiver, expressed or implied, by either party to or of any breach or default by the other of its obligations hereunder shall be deemed or construed to be a consent or waiver to or of any other breach or default in the performance of such other party hereunder. Failure on the part of either party to complain of any such act of the other party or to declare the other party in default, irrespective of how long such failure continues, shall not constitute a waiver by such party of its rights hereunder.

10.4 Without limiting Contractor's duties to indemnify the Housing Authority as provided in this Contract, Contractor shall procure and maintain, at Contractor's sole expense for the duration of this Contract, the insurance policies described herein. Such insurance shall be secured from carriers admitted in California, or authorized to do business in California. Such carriers shall be in good standing with the California Secretary of State's Office and the California Department of Insurance. Such carriers must be approved by the California Department of Insurance and must be included on the California Department of Insurance List of Eligible Surplus Line Insurers (hereinafter "LESLI"). Such carriers must have a minimum rating of or equivalent to A:VIII in Best's Insurance Guide. Contractor shall, concurrent with the execution of this Contract, deliver to the Housing Authority certificates of insurance with original endorsements evidencing the insurance coverage required by this Contract. If original endorsements are not immediately available, such endorsements may be delivered subsequent to the execution of this Contract, but

no later than thirty (30) days following execution of this Contract. The certificates and endorsements shall be signed by a person authorized by the insurers to bind coverage on its behalf. The Housing Authority reserves the right to require complete certified copies of all policies at any time. Said insurance shall be in a form acceptable to the Housing Authority and may provide for such deductibles as may be acceptable to the Housing Authority. Any self-insurance program and self-insured retention must be separately approved by the Housing Authority. In the event such insurance does provide for deductibles or self-insurance, Contractor agrees that it will defend, indemnify and hold harmless the Housing Authority, its elected and appointed officers, officials, representatives, employees, and agents in the same manner as they would have been defended, indemnified and held harmless if full coverage under any applicable policy had been in effect. Each such certificate shall stipulate that the Housing Authority be given at least thirty (30) days' written notice in advance of any cancellation or any reduction in limit(s) for any policy of insurance required herein. Contractor shall give the Housing Authority immediate notice of any insurance claim or loss which may be covered by insurance. Contractor represents and warrants that the insurance coverage required herein will also be provided by any entities with which Contractor contracts, as detailed below. All certificates of insurance and additional insured endorsements shall carry the following identifier: Nueva Maravilla ADA Upgrades in Dwelling Units, 4919 E. Cesar E. Chavez Ave., Los Angeles, CA 90022.

The insurance policies set forth herein shall be primary insurance with respect to the Housing Authority. The insurance policies shall contain a waiver of subrogation for the benefit of the Housing Authority. Failure on the part of Contractor, and/or any entities with which Contractor contracts, to procure or maintain the insurance coverage required herein may, upon the Housing Authority's sole discretion, constitute a material breach of this Contract pursuant to which the Housing Authority may immediately terminate this Contract and exercise all other rights and remedies set forth herein, at its sole and absolute discretion, and without waiving such default or limiting the rights or remedies of the Housing Authority, procure or renew such insurance and pay any and all premiums in connection therewith and all monies so paid by the Housing Authority shall be immediately repaid by the Contractor to the Housing Authority upon demand including interest thereon at the default rate. In the event of such a breach, the Housing Authority shall have the right, at its sole election, to participate in and control any insurance claim, adjustment, or dispute with the insurance carrier. Contractor's failure to assert or delay in asserting any claim shall not diminish or impair the Housing Authority's rights against the Contractor or the insurance carrier.

When Contractor is naming the Housing Authority as an additional insured on any of the insurance policies set forth herein, then the additional insured endorsement shall contain language similar to the language contained in ISO form CG 20 10 10 01. In the event the CG 20 10 10 01 is provided, then the CG 20 37 10 01 must also be provided to cover any Completed Operations exposure. When any entity with which Contractor is contracting, is naming the Housing Authority as an additional insured on any of the insurance policies set forth herein, then the additional insured endorsement shall contain language similar to the language contained in ISO form CG 20 10 11 85.

The following insurance policies shall be maintained by Contractor and any entity with which Contractor contracts for the duration of this Contract unless otherwise set forth herein:

However, the Commission reserves the right to assign this Contract to another public agency without the consent of the Contractor.

In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The fact sheets are set forth in Attachment B of this Contract and are also available on the Internet at [www.babysafela.org](http://www.babysafela.org) for printing purposes.

10.27 Contractor's Acknowledgment of Housing Authority's Commitment to the Safely Surrendered Baby Law

The Contractor acknowledges that the Housing Authority places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the Housing Authority's policy to encourage all Housing Authority contractors to voluntarily post the "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.

10.28 Contractor's Charitable Contributions Compliance

The Supervision of Trustees and Fundraisers for Charitable Purpose Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purpose Act requirements. By requiring Contractors to complete the Charitable Contributions Certification as included in Attachment C, the Authority seeks to ensure that all Authority contractors that receive or raise charitable contributions comply with California law in order to protect the Authority and its taxpayers. A Contractor that receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings, or both.

10.29 ARRA Buy America Clause

The Contractor acknowledges to and for the benefit of the Housing and HUD that it understands the goods and services under this Agreement are being funded with monies made available by the American Reinvestment and Recovery Act of 2009 (Recovery Act) (or are being made available for a project being funded with monies made available by the Recovery Act) and section 1605 of such law contains provisions commonly known as "Buy American." The Buy American requirement prohibits the use of Recovery Act funds on any project for the construction, alteration, maintenance, or repair of a public building or work unless all of the iron, steel, and manufactured goods used in the project are produced in the United States ("Buy American Requirement") including iron, steel, and manufactured goods provided by the Contractor pursuant to this Agreement. The Contractor hereby represents and warrants to and for the benefit of the PHA and HUD that (a) the Contractor has reviewed and understands the Buy American Requirement, (b) all of the iron, steel, and manufactured goods used in the project will be and/or have been produced in the United States in a manner that complies with the Buy American Requirement, unless an exception of the requirement is approved, and (c) the Contractor will provide any further verified information, certification or assurance of compliance with this paragraph, or information necessary to support an exception of the Buy American Requirement, as may be requested by the PHA or HUD. Notwithstanding any other provision of this Agreement, any failure to comply with this paragraph by the Contractor shall permit the PHA to recover as damages against the Contractor any loss, expense or cost (including without limitation attorney's fees) incurred by the PHA resulting from any such failure (including without limitation any impairment or loss of funding, whether in whole or in part from HUD). Neither this

paragraph (nor any provision of this Agreement necessary to give this paragraph force or effect) shall be amended or waived without the prior written consent of HUD.

10.30 Contractor's Warranty Of Compliance With County's Defaulted Property Tax Reduction Program

The Contractor acknowledges that the Commission has established a goal of ensuring that all individuals and businesses that benefit financially from the Commission through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers. Unless the Contractor qualifies for an exemption or exclusion, the Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this Contract will maintain compliance, with the County's Defaulted Tax Program pursuant to Los Angeles County Code, Chapter 2.206.

10.31 Termination For Breach Of Warranty To Maintain Compliance With County's Defaulted Property Tax Reduction Program

Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 10.30, "CONTRACTOR'S WARRANTY OF COMPLIANCE WITH County's DEFAULTED PROPERTY TAX REDUCTION PROGRAM" shall constitute default under this Contract. Without limiting the rights and remedies available to the Commission under any other provision of this Contract, failure of the Contractor to cure such default within 10 days of notice shall be grounds upon which COUNTY may terminate this contract and/or pursue debarment of the Contractor, pursuant to County's Defaulted Property Tax Reduction Program pursuant to Los Angeles County Code, Chapter 2.206.

### Notice 1015

(Rev. December 2005)

### Have You Told Your Employees About the Earned Income Credit (EIC)?

#### What Is the EIC?

The EIC is a refundable tax credit for certain workers.

#### Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

**Note.** You are encouraged to notify each employee whose wages for 2005 are less than \$37,263 that he or she may be eligible for the EIC.

#### How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2006.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice by calling 1-800-829-3676, or from the IRS website at [www.irs.gov](http://www.irs.gov).

#### How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2005 instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit (EIC).

#### How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2005 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2005 and owes no tax but is eligible for a credit of \$799, he or she must file a 2005 tax return to get the \$799 refund.

#### How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2006 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15 (Circular E), Employer's Tax Guide.

### What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

### How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

### What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

### Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

### Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

### Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

### What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

### What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

### Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

### A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

---

---

**Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.**

***It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.***

### ¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

### ¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre recibirá un brazaletes igual.

### ¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

### ¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

### ¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

### ¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

### ¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

### ¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

### ¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

### Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

---

Cada recién nacido merece una  
oportunidad de tener una vida saludable.  
Si alguien que usted conoce está pensando  
en abandonar a un recién nacido, infórmele  
qué otras opciones tiene.

---

*Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.*

# BACKGROUND AND RESOURCES: CALIFORNIA CHARITIES REGULATION

There is a keen public interest in preventing misuse of charitable contributions. California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates those raising and receiving charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fundraising practices and documentation. Charities with over \$2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A bidder/proposer on Commission and/or Housing Authority contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

## RESOURCES

The following resource references are offered to assist bidders/proposers who engage in charitable contributions activities, however, each bidder/proposer is responsible to research and determine its own legal obligations and properly complete the Charitable Contributions Certification form.

In California, supervision of charities is the responsibility of the Attorney General, whose website, <http://caag.state.ca.us/>, contains much information helpful to regulated charitable organizations.

### 1. LAWS AFFECTING NONPROFITS

The "Supervision of Trustees and Fundraisers for Charitable Purposes Act" is found at California Government Code §§ 12580 through 12599.7. Implementing regulations are found at Title 11, California Code of Regulations, §§ 300 through 312. In California, charitable solicitations ("advertising") are governed by Business & Professions Code §§ 17510 through 17510.95. Regulation of nonprofit corporations is found at Title 11, California Code of Regulations, §§ 999.1 through 999.5. (Amended regulations are pending.) Links to all of these rules are at: <http://caag.state.ca.us/charities/statutes.htm>.

### 2. SUPPORT FOR NONPROFIT ORGANIZATIONS

Several organizations offer both complimentary and fee-based assistance to nonprofits, including in Los Angeles, the *Center for Nonprofit Management*, 606 S. Olive St #2450, Los Angeles, CA 90014 (213) 623-7080 <http://www.cnmsocal.org/>, and statewide, the *California Association of Nonprofits*, <http://www.canonprofits.org/>. Both organizations' websites offer information about how to establish and manage a charitable organization.

The above information, including the organizations listed, is for informational purposes only. Nothing contained in this sub-section shall be construed as an endorsement by the Commission of such organizations.

- Claim exemption from backup withholding if you are a U.S. exempt payee.

**Note:** If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Foreign person.** If you are a foreign person, use the appropriate Form W-8 (see Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

### Nonresident alien who becomes a resident alien.

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement that specifies the following five items:

- The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
- The treaty article addressing the income.
- The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
- The type and amount of income that qualifies for the exemption from tax.
- Sufficient facts to justify the exemption from tax under the terms of the treaty article.
